

## Match 'em up with Tim & Moby

See if you can match up these letter questions with the Spotlight movie they come from. There is one question per movie. We've provided an example to get you started.

### Dear Tim & Moby...

Why are boys so immature?

My friend has an eating disorder and I want to help her. I need to find out more about eating disorders.

What's the difference between physical and psychological addiction?

Every day my mum nags me to exercise. Is it necessary?

Can you tell me about braces?

What does it mean to be a grown-up?

Kids at school pick on me and make fun of my clothes. They also call me names. What should I do?

I have a weight problem, and it really bugs me that I can't stay on a diet. I try not to eat a lot, but I just can't lose weight.

My brother smokes and I want him to stop. Can you give me some facts about smoking?

Help! Yesterday I noticed a small bump on my chin. Now, I have a huge pimple on my forehead! Do these things go away?

How come my older brother is always so angry? What's going on?

What do drugs do to your body?

My doctor says that hormones are making my voice change. What is a hormone anyway?
